

CYCLOPS JUNIOR

ROULETTE DISPLAY

The Junior display is a roulette 23" LCD display equipped with **automatic video reader**. It's the most accessible (in terms of simplicity and pricing) and the younger member of CYCLOPS family. Despite of its simplicity, it possesses all major features and benefits of CYCLOPS displays – quick recognition of winning numbers, on-board wheel stat, high performance (24/7), easy installation, etc.

BENEFITS

- Fast auto recognition of winning numbers (1-2 sec)
- Onboard wheel stat and wheel deviation (available at display screen)
- Easy and quick initial installation (Push-Turn-Wait)
- Suitable for any international standard roulette wheels
- Wheel friendly: no sensors or reader heads
- High reliability – designed to operate 24/7
- Table friendly (does not harm table surface – can be attached to table edge)
- Reasonable price
